SONAR

Designed by internationally acclaimed Patricia Urquiola, SONAR draws inspiration from sound waves and water - uniting lightness and strength through the advanced materiality of Saphirkeramik to create refined, architectural forms for the bathroom.

MARBOND

Marbond

Marbond is a composite material made of two layers which are extremely well connected with each other: The basis is formed by a high-quality mineral casting material, the surface is coated with a two millimetre thick acrylic layer. Marbond is hygienic, easy to clean, temperature resistant according to EN 263 and anti-slip (class C).
