UNISONO

UNISONO: An Invitation to Experience Space in Its Most Beautiful Form Available as an under-counter or built-in version, UNISONO integrates seamlessly into any bathroom concept, bringing subtle yet powerful elegance to the space. As a countertop basin, it rises with a clear, minimalist stance, lending the room a sense of grandeur. The freestanding UNISONO column adds a modern accent to the bathroom without being intrusive, creating a harmonious balance between function and aesthetic appeal. UNISONO embodies clarity and presence. Its soft form gently embraces the water with soothing naturalness, while the gentle curves catch the light, infusing the space with an almost meditative calm.
