REF: H512CA10001121

AQUA & TERRA

Washbasin bowl made of Vitreon Steel with valve cap in basin colour

COLOUR AND FINISH

000 White

OPTIONS

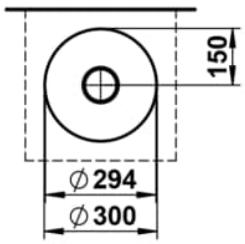

112 - without tap hole, without overflow

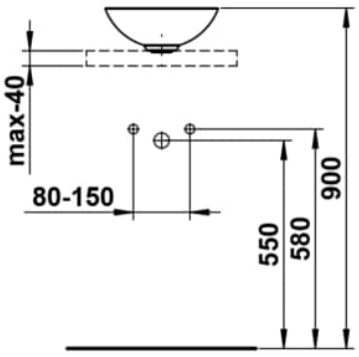

SPECIFICATION TEXT

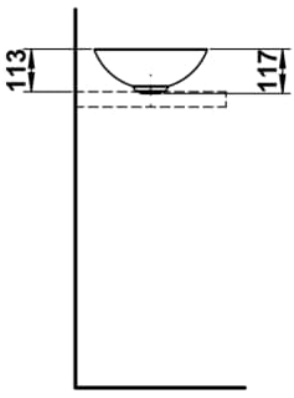

Article-No. Alape: 3900000240

Back glazed
Bowl length (mm) : 300
Bowl position : Central
Bowl width (mm) : 300
Fixing kit : Included
Glazed base
Installation type : Bowl / On countertop
Internal Shape : Round
Material : Vitreon Steel
Net weight (kg) : 2.5
Plug and Waste : Included
Shape : Round
Taphole configuration : No tapholes
Trap : Not included
Waste : Included
Weight (Kg) : 2.3
Without overflow

AQUA & TERRA

With the AQUA & TERRA series, the classic washbowl is given a completely new expression—reduced in form, impressive in impact, and directly inspired by nature. Innovative enamel surfaces lend the steel extraordinary depth and vibrancy, shifting with the light and reflecting the ever-changing play of the elements.
AQUA & TERRA brings the full spectrum of nature into the bathroom: The rich aquatic tones deep indigo, deep blue, and deep green evoke the vastness of the ocean and the depth of the sky. Earthy shades like oyster matt, silk matt, gravel matt, and nordic matt embody the calm of natural landscapes at first light—soft, matte finishes with a velvety appearance. Complemented by timeless tones such as dark iron, matte black, and white, the result is a series of distinctive washbasins available in three thoughtfully designed sizes: 300, 360, and 450 mm in diameter. Each surface is created through a sophisticated enameling process that combines precise technology with artisanal craftsmanship. The result: individual basins with a velvety texture and lively color gradients that reflect light in a truly unique way.
AQUA & TERRA transforms the washbowl into a design statement—minimalist and functional, yet full of personality and natural beauty.
