IN & OUT

IN&OUT is a wash area that creates spaces where the bathroom is not just a retreat but a statement of attitude. With an aesthetic balance between a recessed and a countertop basin, IN&OUT redefines the wash area. The washbasin neither sits fully recessed nor high on the surface but seems to float in spatial equilibrium—perfect for those who appreciate both sophistication and functionality. IN&OUT suits a variety of spatial concepts—whether a residential bathroom, guest restroom, or upscale wellness area. Its clean lines allow for individual integration into different countertop designs, ideal for concepts that don't just decorate but define.
