STREAM

STREAM – A Basin That Reflects the Flow of Water in Its Purest Form
Every line and curve is a tribute to the element it contains. In its simple elegance, STREAM embodies what great design is all about: timeless beauty and unobtrusive functionality, filling the space with a unique sense of calm. The basin's organic shape evokes the gentle movement of a stream meandering relentlessly through the landscape—calm yet powerful. Its soft, flowing lines harmonize seamlessly with the surrounding design, creating an atmosphere that is both soothing and inspiring.
