STEEL19

STEEL19 – Where Design Meets Functionality to Create True Innovation STEEL19 is a thoughtfully designed complete concept for modern bathroom design—clear in its design, high-quality in execution, and versatile in application. The combination of glazed steel and a precisely crafted matte black metal frame creates a distinctive wash area with strong graphic presence. The backsplash, basin, and faucet form a harmonious unit that impresses both functionally and aesthetically. STEEL19 stands for modern bathroom design with character: for those who seek something special—people who find perfection in simplicity.
